**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Thursday, October 28, 2021:

MINUTE entry before the Honorable Martha M. Pacold: Plaintiff has moved to file two sur-replies in response to defendants' reply in support of their motion for summary judgment. [309] Plaintiff seeks to file the first sur-reply because defendants have moved to strike portions of plaintiff's statement of additional facts. As far as the court can tell, defendants have not filed a motion to strike, which, as the court's standing order on its website makes clear, are strongly disfavored. Rather, defendants in their response to plaintiff's statement of additional facts [302] ask that some of plaintiffs' answers be stricken for failure to comply with Local Rule 56.1. [301]. As such, the court interprets plaintiff's motion for leave to respond to defendant's motion to strike as a motion for leave to file a reply in support of plaintiff's statement of additional facts and grants the motion to file the first sur-reply under Local Rule 56.1(f). Plaintiff seeks to file the second sur-reply because defendants' reply accuses plaintiff of concocting a sham affidavit. The court also grants plaintiff's motion to file the second sur-reply. For docket management purposes, plaintiff is directed to file the sur-replies as two separate docket entries by 10/29/2021.(rao, )
